

UltraTex™ Blockout C335 is 9.8 oz. and is 70% polyester and 30% Cotton. This product has a polyester finish on one side and a foam finish on the other with a blackout liner in between. These features allows for a unique dual print surface with one side having a more matte finish. This unique fabric can be used for a wide range of indoor applications requiring a blackout effect. Available in 110" width.
