

Illumi-Pro UV BL Film is an 7.4 mil backlit, PET film designed specifically for high-speed UV printing. The material has an enhanced white point allowing for pure, backlit imaging. Illumi-Pro UV BL Film is 100% PVC free and is printable on two sides (one side offers a matte finish/one side offers a gloss finish). The material is ideal for back-lit banners, light box applications and display systems. Illumi-Pro UV BL Film is printable with UV inks. Available in widths from 40" - 86" on rolls of 328'.
