

Bravura™ Display Duo 410 is a double-side printable, 410 micron, PP and PET film. The material has a smooth print surface with a quick drying top coat and bright white point. Bravura Display Duo 410 has a white backside that prevents translucency issues. The material is compatible for use with solvent, eco-solvent, UV and Latex inks. Available in widths from 36" – 60" on 98' long rolls.
