

UltraPoplin® Select S230 is a 6.78 oz., 100% knitted polyester banner material. The product coating allows for printing with solvent, eco-solvent, UV, screen printing, and Latex inks. The poplin is able to be stretched, making it ideal for expanding over frame systems and structures. UltraPoplin® Select S230 is crease and wrinkle resistant and is ideal for use with trade show graphics, window displays and indoor banners. Available in widths of 126" & 196".
