

Bravura™ GreyBack 340 is a 340 micron, PP and PET film designed specifically for display systems producing vivid, high-quality graphics. The grey backside prevents light transparency and shadowing, making the material opaque. Bravura GreyBack 340 is a lay-flat, no curl product ideal for high resolution posters, transit graphics, pop-up displays and display systems. Bravura GreyBack 340 is solvent, eco-solvent, UV & Latex printable Available in widths from 36" - 60" on rolls of 98'.
